4. STATUS OF BOND(S) AND LETTER(S) OF CREDIT

4.1 Status of Bond or Letter of Credit to Secure Deposits (*in lieu of escrowing deposits*)

Pursuant to § 55.1-2220 of the *Code of Virginia*, in lieu of escrowing deposits, the developer of a time-share consisting of more than 25 units may obtain and maintain a corporate surety bond or irrevocable letter of credit payable to the Commonwealth for use and benefit of every person protected under the provisions of Title 55.1, Chapter 22 of the *Code of Virginia* and such bond or letter of credit shall be filed with the Common Interest Community Board.

The surety bond or letter of credit shall be maintained until (i) the expiration of the purchaser's cancellation period, (ii) the purchaser's default under a purchase contract for the time-share entitling the developer to retain the deposit, or (iii) the refund of the deposit to the time-share purchaser, whichever occurs first.

The surety bond or letter of credit may be either in the form of an individual bond or individual letter of credit for each deposit accepted by the developer or, if the total amount of the deposits accepted by the developer under this chapter exceeds \$10,000, may be in the form of a blanket bond or blanket letter of credit. If the bond or letter of credit is a blanket bond or blanket letter of credit, the amount shall be as follows. If the amount of such deposits is:

5. \$1 million or more, the blanket bond or letter of credit shall be for 100% of the amount of such deposits.

For the purposes of determining the amount of any blanket bond or letter of credit that a developer maintains in any calendar year, the total amount of deposits considered held by the developer shall be determined as of May 31 in each calendar year and the amount of bond or the letter of credit shall be in accordance with the amount of deposits held as of May 31.

If such surety bond or letter of credit was filed with the Board, is it current, active and for a sufficient amount?
